

Casey,

3-26-20

I've give it alot of Thought and decided I'll  
Take my chance at Trial. IF I'm gonna  
do 10 years or more, I'll Take That chance at  
Trial and at least I'll still have all my rights  
and can Try To win an appeal. So I need  
my motion dropped off here at The Jail and  
I need you To File my speedy Trial act  
Violation Motion and after That motion is  
Filed I want To File a motion For severance.  
rule 317.3 states Nothing can Bar me From  
a speedy Trial violation. As you said I have  
a weak case so I'll Take my chances at  
Trial Thank you and God Bless

Very Truly yours

UNSUB ( ) IT STATES FOR THE PURPOSE OF THIS

plea agreement, The parties agree That The defendant  
Should be held Responsible For at least 35 grams

But less Than 50 grams OF actual methamphetamine

during The course OF The conspiracy. I was IN

The Conspiracy For 18 days and The methamphetamine

Im supposedly sold was To Ashley Firestone which

put me IN The conspiracy. But she Is

Charged With a mixture a substance containing

a detectable amount OF methamphetamine.

I'll plead guilty To a mixture OF 35 grams but less

Than 50 grams OF Methamphetamine Mixture

IF Im charged with actual methamphetamine Then

We will Take It To Trial, and on page

7 under (a) It states The defendant also waives

The right To appeal The courts determination as To

Whether The defendants sentence will be consecutive

Or partially concurrent To any other sentence.

I want my state and Federal sentences To run

concurrent (It states any sentence). IF you can

do Those Two Things I'll sign IF Not we will go To

Trial.

I had said I was her distributor was charged  
with a mixture also I would like a pre-plea  
PSI please and I want a Binding plea agreement  
IF we can get Those charged I'll sign Thank you and  
God Bless
